INDEPENDENT AUDITORS' REPORT

The Board of Directors
Medgar Evers College Educational Foundation, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Medgar Evers College Educational Foundation, Inc. (the Foundation) (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Medgar Evers College Educational Foundation, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

MEDGAR EVERS COLLEGE EDUCATIONAL FOUNDATION, INC.

Notes to Financial Statements

June 30, 2022 and 2021

(1) Nature of Organization

The Medgar Evers College Educational Foundation, Inc.'s (the Foundation) purpose is to support and advance the activities and missions of Medgar Evers College (the College) of The City University of New York (CUNY) in its academic, cultural, research and public service programs; and to promote and encourage interest and support for these programs serving the students, faculty, administrative staff, alumni and others in the College community. Although the Foundation is a separate and independent legal entity, it carries out operations integrally related to CUNY and, therefore, is discretely presented as a part of CUNY's financial reporting entity.

The Foundation was organized exclusively for charitable, educational and scientific purposes. It shall not facilitate any activities impermissible by a corporation exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) as a publicly supported organization described in Section 509(a) of the Code.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Basis of Presentation

The Foundation reports information regarding its financial position and activities according to net assets classes: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions represent resources available for the general support of the Foundation's activities. Net assets with donor restrictions are those whose use has been limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled by actions of the Foundation.

(c) Use of Estimates

The preparation of financial statements according to accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect specific reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Cash and Equivalents

For the statements of cash flow, the Foundation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

MEDGAR EVERS COLLEGE EDUCATIONAL FOUNDATION, INC.

(2) Summary of Significant Accounting Policies, Continued

(e) Investments

CUNY holds the Foundation's investments in an investment pool under the control of the Committee on Fiscal Affairs of the Board of Trustees of CUNY (the Committee). Several investment advisory firms are engaged to assist the Committee in its investment pool portfolio management, which is comprised of cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds and foreign bonds. Realized and unrealized gains and losses are included in the statements of activities as changes in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

(f) Fair Value Measurements

A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation can access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used on June 30, 2022. The investments held by the Foundation in the CUNY investment pool are classified as level 2 in the fair value hierarchy.

(g) Revenue

Contributions, including unconditional promises to give, are recognized as revenue in which the gift is made. Promises to give are recorded at their estimated net realizable value discontinued to present value.

(2) Summary of Significant Accounting Policies, Continued

(g) Revenue, Continued

All contributions are considered available unless specifically restricted by the donor or subject to other legal restrictions. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, when a restriction is fulfilled in the same period in which the contribution is received, the Foundation reports the support as net assets without donor restrictions.

Revenue collected before year-end relating to future events of the subsequent year is recorded as deferred revenue.

(h) Functional Expenses

The costs of providing the Foundation's various programs and other activities have been summarized on a functional basis in the statements of activities and the statements of functional expenses. All expenses related to providing these services have been allocated to program services, except for certain administrative expenses. Office and other costs are allocated based on direct usage.

(i) Subsequent Events

The Foundation has evaluated subsequent events through the date of the report, which is the date the financial statements were available to be issued.

(j) Risks and Uncertainties

The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences on a national, regional, and local level are unknown but have the potential to result in a significant economic impact. The impact of this situation on the Foundation and its future results and financial position is not presently determinable.

(k) Income Taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code). Therefore, no provision for income taxes is reflected in the financial statements. The Foundation has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code. The Foundation presently discloses or recognizes income tax positions based on management's estimate of whether a liability has been incurred for unrecognized income taxes is reasonably possible or probable. Management has concluded that the Foundation has taken no uncertain tax positions that require adjusting its financial statements. U.S. Forms 990 filed by the Foundation are subject to examination by taxing authorities.

(2) Summary of Significant Accounting Policies, Continued

(1) Recent Accounting Standards Issued

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, "Presentation and Disclosures for Not-for-Profit Entities for Contributed Nonfinancial Assets." ASU 2020-07 requires new presentation and disclosures for gifts-in-kind donations to improve transparency on how those assets are used and valued. These financial statements and notes reflect retroactive adoption of this new standard.

(3) Liquidity

The Foundation has \$1,770,326 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures, consisting of \$1,631,626 of cash and \$138,700 of short-term investments. Certain financial assets are subject to the donor or contractual restrictions that make them unavailable for general expenditure within one year of the 2022 financial position statement.

(4) Cash and Equivalents and Investments

(a) Custodial Credit Risk - Deposits

Custodial credit risk of deposits is the risk that the Foundation's deposits may not be returned in the event of a bank failure. At June 30, 2022, \$885,336 of the Foundation's bank balance of \$1,635,336 was exposed to custodial credit risk as it was uninsured and uncollateralized. At June 30, 2021, \$726,354 of the Foundation's bank balance of \$1,476,354 was exposed to custodial credit risk as it was uninsured and uncollateralized.

(b) Custodial Credit Risk - Investments

Custodial credit risk related to investments is the risk that in the event of failure of the counterparty of a transaction, the Foundation will not be able to recover the value of its investment portfolio that has that failed counterparty. At June 30, 2022 and 2021, the Foundation's entire investment portfolio balance of \$613,245 and \$647,296, respectively, was exposed to custodial credit risk, as it was uninsured and uncollateralized.

(5) Investments and Investment Income

CUNY holds the Foundation's investments in an investment pool, which is under the control of the Committee. Several investment advisory firms are engaged to assist the Committee in its investment pool portfolio management, which comprises cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds, and foreign investments bonds. Realized and unrealized gains and losses are included in the statements of activities as changes in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law. Investments in the CUNY investment pool as of June 30, 2022 and 2021 amounted to \$613,245 and \$647,296, respectively.

(8) Endowment Funds

Interpretation of Relevant Law

The Board of Directors of the Foundation has interpreted New York Prudent Management of Institutional Funds (NYPMIFA) as requiring the preservation of the value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary and except in those cases where the law allows appropriation for the spending of the original gift amounts. As a result of this interpretation, the Board classifies as net assets with donor restrictions:

- (a) The initial value of the gifts donated to the permanent endowment;
- (b) The original cost of subsequent gifts to the permanent endowment; and
- (c) The accumulation of investment return to the permanent endowment made under the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund is not classified as net assets with donor restrictions - endowment is classified as net assets with donor restrictions - time or purpose until those amounts are appropriated for expenditure by the Board in a manner consistent with the standard of prudence prescribed by NYPMIFA.

(8) Endowment Funds, Continued

The Board of Directors of the Foundation has interpreted NYPMIFA as requiring the preservation of the value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary, and except in those cases where the law allows appropriation for the spending of the original gift amounts. As a result of this interpretation, the Board classifies as net assets with donor restrictions: (a) the original value of the gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations of investment returns to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as net assets with donor restrictions - endowment is classified as net assets with donor restrictions - time or purpose until those amounts are appropriated for expenditure by the Board in a manner consistent with the standard of prudence prescribed by NYPMIFA.

Return Objectives and Risk Parameters

The Foundation utilizes a total return investment approach with its asset allocation diversified over multiple asset classes. Endowment return objectives are to equal or exceed, on an inflation-adjusted basis, composite benchmark results of approximately 5% over the long-term with a conservative to moderate risk level. To achieve this objective, the Foundation follows the strategy of weighing the asset allocation to higher-yielding asset classes, including equities and alternative investments, with marginally higher risk characteristics. The total return objective includes funding both the current year spending rate amount and the amount required to be retained according to the Board's interpretation of the law.

Spending Rate Policy

The Board utilizes a spending rate of 5% of the fair value of the endowment funds at the beginning of the fiscal year to determine its annual drawdown from the endowment.

The following is a reconciliation of the activity in the endowment funds for the years ended June 30, 2022 and 2021:

	<u>Temporarily restricted - time or purpose</u>	<u>Permanently restricted - endowment</u>	<u>Total</u>
Endowment in net assets, June 30, 2020	\$ 218,298	224,193	442,491

Endowment in net assets, June 30, 2022	\$ <u>281,571</u>	<u>224,193</u>	<u>505,764</u>

There were no cumulative losses absorbed by the net assets without donor restrictions at June 30, 2022 and 2021.

Is my Registration Category 7A, EPTL, DUAL or EXEMPT?

Organizations are assigned a Registration Category upon registration with the NY Charities Bureau:

7A filers are registered to solicit contributions in New York under Article 7-A of the Executive Law ("7A")

EPTL filers are registered under the Estates, Powers & Trusts Law ("EPTL") because they hold assets and/or conduct activities for charitable purposes in NY.

DUAL filers are registered under both 7A and EPTL.

EXEMPT filers have registered with the NY Charities Bureau and meet conditions in **Schedule E - Registration Exemption for Charitable Organizations**. These organizations are not required to file annual financial reports but may do so voluntarily.

Confirm your Registration Category and learn more about NY law at www.CharitiesNYS.com.

Where do I find my organization's NET WORTH?

NET WORTH for fee purposes is calculated on:

- IRS Form 990 Part I, line 22
- IRS Form 990 EZ Part I, line 21
- IRS Form 990 PF, calculate the difference between Total Assets at Fair Market Value (Part II, line 16(c)) and Total Liabilities (Part II, line 23(b)).
